PROFILE SUMMARY

Recent graduate with a Bachelor's degree in Electronics and Communication Engineering, eager to apply and enhance my skills in technical support and application investigation. Currently advancing my knowledge in SQL, troubleshooting, incident management, and client support methodologies. Passionate about delivering effective solutions and collaborating across teams to address complex issues. Committed to continuous learning and adapting to flexible schedules, including on-call support. Excellent communication and interpersonal skills, with a focus on balancing client needs with business objectives.

EDUCATION

B.E(Electronics and Communication Engineering)
Matrusri Engineering College, Saidabad, Hyderabad

CGPA: 6.8/10
2021-2024

EXPERIENCE

LabVIEW Industrial Automation Based Professional Training, |Bengaluru, Karnataka May-June/2023

LabVIEW is a graphical programming environment that provides unique productivity accelerators for test system development, such as an intuitive approach to programming, connectivity to any instrument, and fully integrated user interfaces

SPR Human Capital solutions | Hyderabad, Telangana

Nov/2020 - May/2021

Fiber Optics Technician Training program provides hands-on instruction in fiber optic cable installation, splicing, testing, and maintenance. The training prepares technicians for certification and successful careers in high-speed network infrastructure

PROJECTS

Four Element Octogonal MIMO Antenna with Enhanced Isolation for ISM/LTE/5G Applications

To design compact quad-port MIMO antenna,utilizing innovative elements such as tapered feedlines and ground plane stubs and to achieve enhanced bandwidth,isolation,diversity performance for applications in bluetooth,ISM band,WLAN/wi-fi,and 5G.

Smart Blind Cap Using Arduino

To develop an ultrasonic sensor based smart cap prototype as an electronic travel aid for blind people that can help them travel independently. The tools used are Arduino UNO(A Tmega328p),ultra sonic sensor, buzzer,cap,wires and battery.

TECHNICAL SKILLS

- Front-End Technologies: HTML, CSS,JavaScript
- Frameworks: Bootstrap,MySQL,React.js
- Developer Tools: VS Code, Git, GitHub

SOFT SKILLS

- Work Ethic, Problem-solving, Adaptability, Communication, Patience, Flexibility, Time management, Troubleshooting.

CERTIFICATIONS

- Certified in Center of Excellence, Provided by **LabVIEW** Academy.
- Certified in SPR Human Capital Solutions,Optical Fiber.
