PROFILE SUMMARY

Dedicated and detail-oriented fresher with a strong interest in technical problem-solving and customer support. Currently building skills in database management, querying, and backend troubleshooting to effectively address customer needs. Learning to work with Oracle technologies and developing expertise in documenting investigation lifecycles, including notes, activities, and resolutions. Committed to enhancing verbal and written communication skills to collaborate with clients and internal teams. Eager to contribute to dynamic environments with flexibility and a focus on balancing business objectives and customer satisfaction.

EDUCATION

B.E(Electronics and Communication Engineering)
Matrusri Engineering College, Saidabad, Hyderabad

CGPA: 6.8/10
2021-2024

EXPERIENCE

LabVIEW Industrial Automation Based Professional Training, |Bengaluru, Karnataka May-

June/2023 LabVIEW is a graphical programming environment that provides unique productivity accelerators for test system development, such as an intuitive approach to programming, connectivity to any instrument, and fully integrated user interfaces

SPR Human Capital solutions| Hyderabad, Telangana

Nov/2020 - May/2021

Fiber Optics Technician Training program provides hands-on instruction in fiber optic cable installation, splicing, testing, and maintenance. The training prepares technicians for certification and successful careers in high-speed network infrastructure

PROJECTS

Four Element Octogonal MIMO Antenna with Enhanced Isolation for ISM/LTE/5G Applications

To design compact quad-port MIMO antenna,utilizing innovative elements such as tapered feedlines and ground plane stubs and to achieve enhanced bandwidth,isolation,diversity performance for applications in bluetooth,ISM band,WLAN/wi-fi,and 5G.

Smart Blind Cap Using Arduino

To develop an ultrasonic sensor based smart cap prototype as an electronic travel aid for blind people that can help them travel independently. The tools used are Arduino UNO(A Tmega328p),ultra sonic sensor, buzzer,cap,wires and battery.

TECHNICAL SKILLS

- Front-End Technologies: HTML, CSS,JavaScript
- Frameworks: Bootstrap,MySQL,React.js
- Developer Tools: VS Code, Git, GitHub

SOFT SKILLS

- Work Ethic, Problem-solving, Adaptability, Communication, Patience, Flexibility, Time management, Troubleshooting.

CERTIFICATIONS

- Certified in Center of Excellence, Provided by **LabVIEW** Academy.
- Certified in SPR Human Capital Solutions,Optical Fiber.
