PROFILE SUMMARY

Motivated and adaptable fresher with a solid foundation in programming and a keen interest in full-stack development. Currently learning PLSQL, Java, Drools, React, and Spring Boot to build end-to-end application expertise. Gaining practical knowledge of Agile methodologies and GitHub for collaborative development. Exploring the exciting fields of AI/ML and cloud technologies to stay ahead in the evolving tech landscape. Enthusiastic about continuous learning and eager to apply my growing skills to real-world projects in a dynamic and innovative environment.

EDUCATION

B.E(Electronics and Communication Engineering)	CGPA: 6.8/10
Matrusri Engineering College, Saidabad, Hyderabad	**2021-2024**

EXPERIENCE

LabVIEW Industrial Automation Based Professional Training, |Bengaluru, Karnataka   May-June/2023 LabVIEW is a graphical programming environment that provides unique productivity accelerators for test system development, such as an intuitive approach to programming, connectivity to any instrument, and fully integrated user interfaces

SPR Human Capital solutions| Hyderabad, Telangana   Nov/2020 - May/2021
Fiber Optics Technician Training program provides hands-on instruction in fiber optic cable installation, splicing, testing, and maintenance. The training prepares technicians for certification and successful careers in high-speed network infrastructure

PROJECTS

Four Element Octogonal MIMO Antenna with Enhanced Isolation for ISM/LTE/5G Applications
To design compact quad-port MIMO antenna,utilizing innovative elements such as tapered feedlines and ground plane stubs and to achieve enhanced bandwidth,isolation,diversity performance for applications in bluetooth,ISM band,WLAN/wi-fi,and 5G.

Smart Blind Cap Using Arduino
To develop an ultrasonic sensor based smart cap prototype as an electronic travel aid for blind people that can help them travel independently. The tools used are Arduino UNO(A Tmega328p),ultra sonic sensor, buzzer,cap,wires and battery.

TECHNICAL SKILLS

- Front-End Technologies: HTML, CSS,JavaScript
- Frameworks: Bootstrap,MySQL,React.js
- Developer Tools: VS Code, Git, GitHub

SOFT SKILLS

- Work Ethic, Problem-solving, Adaptability, Communication, Patience, Flexibility, Time management, Troubleshooting.

CERTIFICATIONS

- Certified in Center of Excellence, Provided by **LabVIEW** Academy.
- Certified in SPR Human Capital Solutions,Optical Fiber.
